MARCH MONTHLY MISSION FOCUS

The DUMC Mission Action Group has selected the Empowerhouse Organization of Fredericksburg as the Mission of the Month for March. This nonprofit is a Virginia-accredited Domestic Violence Program which serves Fredericksburg, Caroline, King George, Spotsylvania, and Stafford Counties. Empowerhouse supports the needs of domestic violence survivors and their children. It provides safe-house shelters, a 24-hour hotline, victim advocacy, children's services, and support groups for victims. They serve over 2,400 people and shelter over 100 adults and 100 children, on average, each year.

Please consider a donation by putting "EmPowerhouse/Fredericksburg" in the memo field of your check or go to the DUMC web Missions page and make a Mission donation.

HELP FEED THE HUNGRY IN KING GEORGE: FOOD DONATIONS

The DUMC Mission Action Group (MAG) has a 2020 goal of collecting 1.75 Ton (3,500 lbs.) of food to help with food shortages in the King George area. There are local families with children, disabled citizens and elderly that need help. When donating food, think canned meat and beans, peanut butter, jelly and high protein items. However, any food donated will not be refused. Place your food donations in the wooden box by the stairs in the atrium. Check out the DUMC Food Thermometer on the atrium wall to see how the Church is doing. All food donated at DUMC is transported to a local food bank every week. Note: The Mission Action Group (MAG) is looking for Church volunteers to help transport food to the food banks. If you are available and can help, please let a member of the Mission team know.

EVENTS COMMITTEE NOTES

On Thursday, March 12th we are planning a low-key event to attend the Great Lives Lecture at the Dodd Auditorium at the University of Mary Washington. This free lecture series brings renowned biographers, a number of them Pulitzer Prize winners, to the Mary Washington campus to explore the diverse lives and achievements of remarkable people." We plan to meet at the church at 6:00 PM. People will have the opportunity to carpool but nothing is being arranged in advance. The doors open at 6:30 PM and the talk starts at 7:30 PM. Some may go for dessert after to discuss but that is also an individual choice. We plan to get a group together to visit Jack Short at Chancellor's Village Retirement Community on Sunday, March 15th. Plan to leave after the service and join Jack for lunch. This food is far better than the food in most retirement homes. You can sign up by contacting Sara Del Guidice. The next Event Committee meeting will be on March 22nd immediately following the 11:00 service.
