

Dahlgren Christian Preschool
Program Decision Regarding Medication
(Parent Form)

The DCP program has made the following decision regarding the administration of medications to a child in the program:

The DCP staff will **ONLY** administer prescription Epipen auto-injectors, inhalers, and pre-medication liquid Benadryl medications.

***Parents are required to sign this form as acknowledgement of DCP medication procedures regardless of whether or not it currently pertains to their individual child.**

*Parent or Guardian Signature:	Date:
--------------------------------	-------

Note:

DCP is operated in a multi-use facility. Although DCP staff will keep eating surfaces sanitized during school hours, we cannot guarantee that all school toys and materials will be free from surface contaminants that might aggravate a child with a severe reaction brought on by inhalation of or skin exposure to specific allergens. By signing above, you agree and understand this policy as described.

Confidentiality Statement

Information about any child in my program is confidential and will not be given to anyone except VDSS' designees or other persons authorized by law unless the child's parent or guardian gives written permission. Information about a child in my program will be given to the local department of social services if the child received a day care subsidy or if the child has been named in a report of suspected child abuse or maltreatment or as otherwise allowed by law.
