WELCOME

Welcome to the Dahlgren Christian Preschool (DCP) offering early education for children one or two years prior to kindergarten. DCP is a ministry of Dahlgren United Methodist Church.

Mission statement: The purpose of DCP is to offer, in a Christian environment and through Christian teaching, a foundation needed by preschool children for life in general and for their future education.

This handbook is prepared for the parents of DCP students. Please contact the Preschool Director, teaching staff or any member of the DCP Committee if there are any questions that are not answered in this booklet. (540-663-2230)

CHRISTIAN CURRICULUM

DCP's program offers a wide range of creative, academic and social activities that are age appropriate and provide a complete early childhood curriculum. Instructional units, which are organized by month and subject area, are taught throughout the year. Included are:

- | | |
|---|----------------------------|
| *Letters | *Finger Plays/Poetry |
| *Letter sounds | *Language Activities |
| *Numbers | *Stories |
| *Shapes | *Colors |
| *Music Activities | *Fine Motor/Art Activities |
| *Gross Motor/Movement Activities | *Science lessons |
| *Learning Games/Experimental Activities | *Chapel time |

In addition to working on fine and gross motor development, letter and number recognition, all the children will learn to know Jesus as a friend, a teacher and a Savior by becoming acquainted with His life in the Bible. The church year calendar (Advent, Christmas, Lent, and Easter) will be included in the curriculum. The children will be introduced to the Christian values of love, joy, peace, gentleness, goodness, faithfulness, patience, kindness and self-control. The staff will guide the students in applying Christian principles to everyday life and will teach the children to identify the church as God's family and their family.

PARENTAL INVOLVEMENT

Because studies have shown that parental involvement fosters a more positive learning achievement, we encourage

parent participation in class. For program coordination, and security at the school, however, parents are asked to schedule these opportunities with the teachers prior to visitation or volunteering.

We recognize that some children may experience separation anxiety during the first few weeks of school. We request that parents refrain from visiting during the first month of school. Our teachers will make every attempt to help each student adjust to their new experience. The teachers will keep parents informed on the progress of their child.

DISCIPLINE

Discipline will be offered in a loving and consistent manner. Acceptable behavior will be defined early in the school year. When improper behavior occurs, the student will be told of the offense and reminded of what behavior is acceptable. Age-appropriate time out will be used if the improper behavior continues. If the improper behavior persists, parents will be notified. In the event inappropriate behavior becomes routine, teachers will meet with parent/guardian to determine a behavior plan.

ADMISSIONS/REGISTRATION

Registration opens 2/14 for alumni and 2/21 for the general public. Registration is accepted on a first come/first served basis. The non-refundable registration fee and registration form are required to guarantee your child's spot in the program. Once accepted, the following required documentation is due by 8/1/2025:

- Birth Certificate (an original we will photocopy)
- Commonwealth of Virginia School Entrance Health Form, (completed and signed by appropriate medical personnel)
- Emergency Contact Form, completed

Early Preschool	3-4 years old	T - Th	8:30-12:00

The Preschool Director reserves the right to place a child in the appropriate class.

Children **must be potty trained**. Except in cases of medical necessity, children should not come to school in pull-ups or any other potty-training aids. Children are expected to be familiar with proper bathroom etiquette and procedure.

SCHOOL CALENDAR

The DCP calendar will be sent home with students the first week of school.

Parents are requested to park in the parking lot and walk with the child to the Rosedale Street entrance. Students or parents with impaired mobility may use the main entrance. **Parents must notify the school in writing each time a child will be leaving with someone other than those persons that are listed on the registration form or the Child Pick-Up Permission List (given out at orientation in August).**

STUDENT SUPPLIES

Necessary school supplies will be determined on a per year basis. Refer to the school supplies insert in this handbook for the current preschool supply list/needs. So as to be prepared for start of class first day, all supplies should be brought by the church prior to or no later than orientation day.

Each student is requested to bring a lunchbox **AND** a backpack where the children's work will be placed for transportation home.

Parents are asked to provide a change of clothes for their child. These clothes should be brought to school each day in their backpack. Having a spare set of clothing goes a long way toward minimizing a child's frustration and embarrassment if an accident occurs.

Students should bring suitable outdoor wear to school each day to be prepared for playground time and/or practice fire drills.

FOOD

All students should bring a snack and pre-packed lunch and drink each day, this may also include a water bottle. If your child has a **food allergy, please notify the teacher** of this situation. Please do not send sodas or candy for your child. Teachers will inform parents of special party days.

- ◆ A cold that is less than two days old
- ◆ A heavy nasal discharge
- ◆ A constant cough
- ◆ Symptoms of communicable disease (sniffles, reddened eyes, rash, sore throat, headaches, abdominal pain plus fever, vomiting or diarrhea.)

State law requires the preschool staff to implement a daily health screening and exclusion of sick children. The screening will include a health observation of each child to identify changes in a child's behavior or physical appearance. The preschool staff will use their discretion in determining the existence of the above symptoms, or some other infectious disease. When a child has been ill, please allow 24 hours to elapse after the fever/illness before sending your child back to school. If your child becomes ill at school or is injured, you will be notified. The staff member that notifies you will specify the action they wish you to take. Please inform your child's teacher if your child is diagnosed with a contagious ailment and was in class same day.

PARTIES

Parents are invited to bring special snack foods or beverages to school to celebrate their child's birthday but must check with the Director pertaining food allergy restrictions. Parents whose children have summer birthdays are encouraged to check with teachers to celebrate before school year's end. Gifts are not exchanged at school.

The staff will plan parties to celebrate special holidays such as Thanksgiving, Christmas, Valentine's Day, and Easter. Parents will be asked to sign up to bring food, beverages, and paper products to some events.

MEDICATION ADMINISTRATION

DCP staff will administer only prescription Epi-Pen, pre-medicated Benadryl, and inhaler medications. Consult with the Director upon registering is necessary to ensure all appropriate paperwork is completed and on file.
